

The challenge!

FIRST fill in your card. NEXT The challenge is to find as many people as possible who share the same answers as you.

You might like to call or facetime people, ask people you are at school or work with or go for a walk with. Ask for their answer and then write their name in the box if it matches yours.

For some of the boxes you will need to ask them to complete the task eg - 'draw a shape' Don't tell them you answer first.

FINALLY also include the name of someone with a different answer than you!

Favourite colour	The month you were born	A hobby or pastime
Favourite food	Think of a number	Draw a shape
A country beginning with S	Favourite weather	Something made of wood
Something you are scared of	Colour of your eyes	Favourite animal
