

I have been a Reader since the mid-1980s, initially in Greasby and since 2008 at St Bridget's and Caldy. Living in an interchurch marriage, I have always played a leading role in working with other churches locally. I also lead our work with churches in Birkenhead through the Life Expectancy Project. I find myself leading also our environmental work, linking closely with A Rocha's Eco Church programme. More recently I took on the role of treasurer for the Parish, seeking to ensure that we have sufficient money to meet our own needs and to offer support to others in need.
